

Project: Knowledge Without Borders: Universal Access to Education and Training in Romania-Moldova

Project leader: Parish of the Faithful Voivode Stephen the Great and Saint

Project partners:

- Love and Trust Association
- The Fate Public Association
- Public Association Mission and Philanthropy

Project description: The project presents a comprehensive plan for professional development and knowledge exchange in Romania (RO) and the Republic of Moldova (MD). It aims to improve skills and address challenges in various fields, such as education, social work, psychology, agriculture, culture, and the arts. Activities include workshops, symposia, campaigns, and specialist networking.

Project objectives: The specific objective of the project is to improve equal access and quality of lifelong learning services in Iași (RO) and the city of Soroca (RMD), with impact in Iași, Vaslui, Botoșani in RO and Florești, Drochia in RMD, for 12 months, through joint interventions in adult education services, to acquire new skills innovatively about the latest opportunities emerging for both countries, ensured by exchanges of experience and trainings for teachers and joint events for learning participants, including cooperation between stakeholders in the education field.

The project's specific objective will directly contribute to the program result indicator, which consists of 4 organizations cooperating across borders through the development of common educational tools for adults.

The project outlines a comprehensive plan for professional development and knowledge exchange in Romania (RO) and the Republic of Moldova (MD).

It aims to improve skills and address challenges in various fields, such as education, social work, psychology, agriculture, culture, and the arts.
